DELIVERIES

DELIVERY ADDRESS

Century City Conference Centre
No 4 Energy Lane, Century City, Cape Town
Tasneem Davids

021 204 8000 | tasneem.d@cccconferencecentre.co.za

Please do not give the courier the details of Colette at ICE Solution as she will only be arriving in Cape Town on Sunday evening.

CONGRESS BAGS & INSERTS

- All congress bags and marketing collateral to be included in the congress bags should be delivered to the venue on Thursday 30 April, and not before that. (Please note that Friday 1 May is public holiday which is why we are requesting deliveries on this day)
- Please make sure that deliveries are clearly marked with **YOUR COMPANY NAME** and the words **SAAS CONGRESS BAGS INSERTS**
- Please note that if you are providing inserts of any kind into the congress bags (including note pads and pens), we are packing 200 bags. Anything not used will be returned to you.
- Bags will be packed at 10h00 on Monday 4 May, and items not on site before this time will unfortunately not be able to be included in the bags.

EXHIBITION STAND DELIVERIES

- The venue does not have storage facilities for stand exhibition branding, build up materials and stock. These items should only be delivered on Monday 4 May to your stand, while your stand is manned
- Ensure that deliveries are clearly marked with **YOUR STAND NAME** and the words **SAAS EXHIBITION** with the details of the person who will be on your stand to accept delivery.

EXHIBITING ETIQUETTE

Educate your stand builders!

Over the course of the last few shows, certain stand builders have become increasingly disrespectful of the rules, of other stand builders and of other exhibitors. We request your assistance to manage this to ensure a fair build up for all exhibitors. Your stand builders represent your company and your brand. Please ensure that they make your brand proud!

Doors open at 08h00 on Monday for build up

- Ensure that your stand builders do not come to site and ask if they can start building up early. There is a reason that build up is from 08h00 and people trying to come in early disrupt the planning that has taken place.
- “Just offloading” is the same as building up. No access to the venue will be granted before 08h00
- If your stand builder is building many stands, please make sure that they have the resources to do so, as this is often used as an excuse to try and gain early access and is not fair to other stand builders and exhibitors.
- GL Events is the only stand builder who has access to the venue from 06h00, as they mark out the stands and provide electricity to all stands.

Be considerate to your neighbour

- Even if your neighbour has a smaller stand or space than you, they have the same right to make their stand look good.
- The backs and sides of any walls built on your stand **MUST** be covered in chipboard and painted white with at least two coats of white paint.
- This should be done ASAP, as your neighbour may arrive at any time to build their stand, and access to their clean, neat space should not be hampered in any way

- The space of other stands should be kept clear at all times, so that if anyone arrives to build their stand, their space is clear, clean and available to access immediately.
- Stand builders should be advised to be respectful of this and keep their working items in the aisles and not on other stands.

Breakdown

- Stand builders will not be allowed into the exhibition area while the congress is still in progress. Please advise your stand builders accordingly.

Stand builders who do not respect the rules and other exhibitors will be asked to leave the site, which will result in your stands not being completed.

Bringing Medical Exhibitions to Life

Custom-designed, compliant exhibition stands for medical, pharmaceutical and healthcare brands across South Africa.

With full in-house design and manufacturing capabilities, we deliver precision-built stands that reflect your brand, support regulatory requirements and create meaningful engagement with healthcare professionals.

From international medical congresses to specialist healthcare expos, our team manages every detail — including conceptual design, custom fabrication, printing, furniture, electrical supply, AV integration and on-site installation.

As EXSA award winners and proud members of IFES, we align with international standards and sustainable practices, ensuring reliable delivery, compliance and peace of mind.

Whether you're launching a new product or strengthening your presence at a key medical exhibition, 1UP Exhibitions is your trusted stand-building partner.

EXHIBITION BUILD UP AND BREAKDOWN

Build up

- Access to site is from 08h00 on Monday 4 May
- Floor space will be clearly demarcated. Stand builders to please keep within the demarcated areas, and adhere to aisle regulations, and health & safety guidelines.
- **IMPORTANT NOTE REGARDING YOUR STAND BUILDING**
 - You will be required to close/seal the back and or sides of your stands with a solid white board so as not to
 - negatively affect the stand/s which may not have a built structure alongside you.
 - **Please ensure that your stand builders are informed of this so as not to have any situations onsite where they claim to not be aware of this.**
- There is no medic or health and safety officer booked after 22h00 on either Monday or Tuesday night, therefore no workers are allowed on site before or after these times.
- The loading bay is strictly a drop off and go area. Vehicles need to offload goods and then move to available parking. The loading bays are not a parking facility. Please move your vehicle to the designated parking area as soon as your vehicle is off-loaded for build up or reloaded for breakdown.
- Please note that the venue does not provide forklifts or trolleys for these purposes and there are none available onsite to hire. Please make your own plans in advance if this is going to be required.
- Stand builders are responsible for cleanliness, and will be liable for damages caused whilst, building, constructing and/or offloading.
- Please take other builders and exhibitors' equipment into consideration.
- Please note that no contractors will be allowed on the exhibition floor during the exhibition, except in the event of an emergency and /or with express permission of the organising committee.

- Please note the maximum stand heights
 - In foyer – 3m
 - In halls A & B – 3.5m
- **NOTE regarding SA Biomedical Pre Congress in Hall D**
 - **Sponsorship level 3 stands in the foyer (stands 10 & 11) can only be constructed during the following hours, due to the Pre Congress taking place in Hall D on Tuesday 5 May**
 - Monday 08h00 – 22h00
 - Tuesday from 18h00 – 22h00
 - **All stands in the foyer will be requested to cease building during the tea times and lunch time of the pre congress on Tuesday 5 May.**

Breakdown

- Please note that the venue does not provide forklifts or trolleys for these purposes and there are none available onsite to hire. Please make your own plans in advance if this is going to be required.
- Stand builders, furniture collectors, machine collection agents etc will only be allowed access into the venue once all delegates have left the venue.
- The loading bay doors will only open at the end of the scientific programme, once all delegates have left the venue.
- Should the trade set up their stand late or breakdown/strike early, the congress organising committee will have the right to impose penalties.
- It must be emphasized that dismantling/building of stands must not interfere with the proceedings of the Congress or Delegates in any way.

FLOORING

- Please note that all stands in the foyer need protective covering on the tiles before stands may be erected. Ensure that your stand builders are aware of this to avoid any delays on site with the construction of your stand
- Hall A & B has carpeting, and no additional flooring is required. If you choose to have additional flooring, ensure that the existing venue is covered and no damage is done to this flooring, as you will be liable for the costs of any damages.

FLOORPLAN

- The floorspace is largely booked out and we look forward to a great event. Exhibition stands are in the main foyer and the exhibition halls A & B, on the same floor as the registration and main congress venue.

See floorplan on the next page

GL EVENTS

- GL Events are the appointed onsite logistics company.
- Should you need to book stand infrastructure, flooring, furniture, additional electricity supply or audiovisual equipment, please contact
BIANCA VAN DEWENTER
Email: bianca.vandewenter@gl-events.com
Tel: + 27 (0) 21 526 3200 Cell: 076 349 9270
- The full exhibitor services manual can be found on:

www.arthroplastysociety.org.za/wp-content/uploads/2025/08/saas-2026-exhibitor-service-manual.pdf

HEALTH & SAFETY RULES AND PROCEDURES

Stand OHSA Mandatory Agreement

Each exhibitor (and stand builder) is required to fill in the Century City OHSA Mandatory Agreement which is sent with this document.

- “The Client” is you the exhibiting company
- “The Contractor” is your stand builder
- If you are not appointing a stand builder, you are still required to complete the form, simply leave “The Contractor” blank.

All forms are to be send to Tasneem Davids tasneem.d@ccconferencecentre.co.za by 31 March 2026. Failure to complete this form may result in a delay with your stand being allowed to build up.

Other forms to be completed by your stand builders

- BDM 12 (For any stands over 2.5m only)
- SANS 10400 (For any stands over 2.5m only)
- Please ensure that your stand builders complete these regulatory forms and return to Tasneem at Century City by 31 March 2026 (tasneem.d@ccconferencecentre.co.za). Please do not return to diamond@icesolution.co.za as they need to go to the venue directly.

CCCC Exhibitor Manual and Rules and Regulations

- The CCCC is extremely Health and Safety Conscious and has many rules and regulations in place to ensure that safety of contractors, delegates, and visitors to the event.
- It is the responsibility of each exhibitor and their chosen stand builder to familiarize themselves with the procedures and ensure that the rules are always adhered to.
- Neither SAAS nor the congress event managers will be held responsible for any problems encountered in this regard during build up / show days / breakdown of the trade exhibition.
- Please download the CCCC manual at www.cccconferencecentre.co.za/wp-content/uploads/2025/10/Exhibitors-Manual.pdf

General Health and Safety Rules and Regulations

- Contractors shall ensure that work is executed in all respects in accordance with the requirements of the Occupational Health and Safety Act and its regulations, as amended and all statutory regulations applicable, including the keeping of proper records, production of test certificates and appointment of Competent Persons. It is therefore mandatory – prior to all scheduled exhibitions, that exhibition organisers, contractors and exhibitors take note of the following regulations. This agreement is binding on all sub-contractors engaged by the undersigned parties.

- All requirements of the Occupational Health and Safety Act 85 of 1993 and Regulations (as amended) shall be adhered to.
- Any other statutory requirements pertaining to the area of exhibition shall also be adhered to.
- Section 37 – Acts or omissions by employees or mandatories. Subsection 2 states that the employer shall be liable for any acts or omissions by any of his/their/its employees and/or mandatories, except if the parties have agreed in writing to the arrangements and procedures between them to ensure compliance by the mandatory with the provisions of this Act;
- When any activity during build-up and/or breakdown periods, is of such nature that it could cause injury to anyone, or damage to the environment, all reasonably practicable preventative measures shall be implemented to ensure the health, safety and/or impact upon the environment.
- No dumping of any hazardous chemical substances is permitted into any drains and/or waste bins. Same shall be disposed of in terms of the Hazardous Chemical Substance Regulations of the Occupational Health and Safety Act 85 of 1993;
- Should any chemicals, gases and/or substances be required to be used during build-up, breakdown and/or show periods then all relevant material safety data sheets are required on site (where required in terms of the Act);
- All mandatories are to provide and ensure the correct use of personal protective equipment by their employees at their cost at all times.
- All mandatories are to maintain and ensure that all electrical apparatus and safety equipment is kept in a safe working condition at all times.
- In terms of Section 16 (3) of the Occupational Health and Safety Act no. 85 of 1993, no appointment(s) will relieve an Exhibitor (employer) to (the contractor or sub-contractor) of any responsibility or liability under this Act.
- Stand Designs & approvals from the City
- All stands which are constructed (other than standard 2.5m high shell scheme stands) require stand diagrams to be sent to venue and the appointed safety officer for the event for approval. Please send detailed stand diagrams together with a completed BDM application to Tasneem

Daids tasneem.d@cccconferencecentre.co.za by no later than 31 March 2026. Tasneem will reply with feedback and the required documentation to be completed by your stand builders in this regard.

Height Restrictions & Structural Engineers Certificates

- The stand building height restriction in the foyer area is 3 metres.
- The stand building height restriction in halls A & B is 3.5 metres.
- You are required to submit a Structural Engineer's Certificate for stands over 2.5 meters in height. Failure to comply with this may result in your stand not being allowed to open.

LIABILITY & INSURANCE

- All exhibitors and their subcontractors are required to have the necessary public liability insurance in place.
- Exhibitors are reminded to insure their own equipment adequately for the duration of the exhibition. Neither the Congress organizers, SAAS, nor the conference venue will be responsible for any loss, theft or damage caused in any manner whatsoever. The Congress Organisers strongly recommend that exhibitors check that they have adequate cover for the duration of the exhibition.
- At the close of the exhibition each day and before leaving the stand, exhibitors must make certain that there are no potential fire hazards on their stands and that all valuables are removed. Lights and power should all be turned off at the stand mains and equipment should be double checked for safety purposes.

NETWORKING EVENT

- The opening networking event will be held in the foyer of the CCCC on Wednesday 6 May 2026 at the conclusion of the scientific programme
 - Your trade badges includes access to this event. We request that you confirm your attendance at the networking event by no later than Friday 17 April. While there is no cost to attend if you are in possession of a trade badge, we do need you to confirm for catering purposes.
- Additional tickets for this event are available at a cost of R 200 per person. Order these with Colette on diamond@icesolution.co.za

REGULATORY COMPLIANCE AUTHORITIES

Ethical Medtech (www.ethicalmedtech.eu) has advised that local events will no longer be assessed for MedTech Compliance.

SAMED is the national association representing companies in the medical technology industry. SAMED aims to ensure the benefits of modern, innovative, and reliable medical technology are delivered effectively to provide better health outcomes to the South African community. A copy of the SAMED Code of Ethics can be downloaded on the SAMED Website <https://samed.org.za/>

RULES & REGULATIONS

- All invoices are to be paid before build-up. Neither exhibitors nor stand builders will be allowed on site if invoices to SAAS are not up to date
- No trade/companies or media is allowed at the congress that is not an exhibitor or sponsor and has not been issued a valid access badge.
- No photography or video recording is allowed in the Exhibition halls, and/or conference sessions without the express permission of the committee. Please note that this is closed private meeting and not open to the public.
- The Organisers are not agents for either exhibitors or sub-contractors and can accept no liability in respect of any contract entered into between exhibitors and sub-contractors for the negligence or default of any such persons, their servants or agents.
- We ask that you please always assist and wear your congress badges. It should be understood by the exhibitor that the nature of the facilities available, the presence and circulation of large numbers of people, the difficulty of effective supervision over the protection of large numbers of removable articles in many exhibition stands and various other factors make it reasonable that each exhibitor shall assume the risk of any injury, loss and/or damage.
- Accordingly, the exhibitor assumes all risk of loss for their merchandise, fixtures, displays and any other property located in the exhibition area, storage or any other area where access has been provided to exhibitors by the Conference venue. Conference venue security personnel will be furnished for the perimeter of the venue, but such personnel shall not be deemed to affect the non-liability of conference venue and its members, officers, representatives, employees and/or the official service providers to modify in any way the assumption of risk and release provided for above.

SAFETY & SECURITY

- General venue security is provided by the SAAS. Should you require dedicated security please contact the venue
- We ask that you please always assist and wear your congress badges. It should be understood by the exhibitor that the nature of the facilities available, the presence and circulation of large numbers of people, the difficulty of effective supervision over the protection of large numbers of removable articles in many exhibition stands and various other factors make it reasonable that each exhibitor shall assume the risk of any injury, loss and/or damage
- Accordingly, the exhibitor assumes all risk of loss for their merchandise, fixtures, displays and any other property located in the exhibition area, storage or any other area where access has been provided to exhibitors by the Conference venue. Conference venue security personnel will be furnished for the perimeter of the venue, but such personnel shall not be deemed to affect the non-liability of conference venue and its members, officers, representatives, employees and/or the official service providers to modify in any way the assumption of risk and release provided for above
- Please remember that exhibitors are fully responsible for their equipment at all times. Please do not leave briefcases, handbags, laptops, cellular phones etc unattended on your stand. All belongings should be placed out of the public's eye inside locked cupboards or office areas. Unattended briefcases and packages could be a security risk.

Some safety tips:

- Be street smart like the locals; do not walk around flaunting paraphernalia like cameras, smartphones or jewelry.
- Always ask for local advice, especially when going out at night. Your hotel is a good place to start.
- Book a tour guide, they have local knowledge and will really look after you.
- For a beach walk or anywhere off the beaten track, there is always a guide for your needs.
- Don't catch lifts in the minibus taxis - rather use a metered taxi or UBER.
- Anyone visiting the townships should make use of guided tours and should do it during daylight hours.
- There is always a small criminal element in every large city and Cape Town is no exception

SCIENTIFIC PROGRAMME

- The latest version of the programme will be available on the congress website <https://arthroplastysociety.org.za/saas-congress-2026/>
- Please note that the programme is subject to change at any time without prior notification.
- Please refer to the scientific Programme for congress opening times and refreshment break times.
- Please ensure that your stand is open during all refreshment breaks.
- Lunch for exhibitors will be served 30 minutes prior to the scheduled delegate lunch, to free trade up to engage with delegates during lunch

SERVICES

Cleaning

- General aisle cleaning will be done throughout the congress. If you require additional cleaning services please contact the venue event coordinator

Electricity

- Electricity will be in place at 09h00 on Monday 4 May 2026.
- Each stand will be supplied with an electrical plug point (single phase 15 Amp) and one DB board per every 4 stands.
- Please do not overload your plug point.
- Please bring your own extensions and local and international adaptors as these are not available to borrow or buy on site.
- Should you need to arrange additional electricity supply please contact GL Events. These will be for your own account.
- All electrical services, supplied by outside/third parties, must be in accordance with regulations as stipulated within the Health and Safety Act and must be accompanied by an original Electrical Certificate of Compliance, which must be handed to the health and safety office on site, prior to the opening of the event.

Furniture

- Each exhibition space can be allocated a stand trestle table and two banqueting chairs
- Please advise Colette if you require these
- Table cloths are not provided, please supply your own table covering
- Any other stand furniture can be ordered from GL events here <https://arthroplastysociety.org.za/wp-content/uploads/2025/08/saas-2026-exhibitor-service-manual.pdf>

Rigging

- The venue does not offer rigging services or staff. Please contact the venue Safety, Security, Health & Environment Manager should you require any advice in this regard
- Please note all rigging costs for staff, forklifts etc etc are for your own account

SPONSORSHIP LEVELS

The value of educational grants will be added to the stand packages and sponsorship options to determine final sponsorship level of congress.

Diamond Sponsor	> R 600 001
Platinum Sponsor	R 500 001 - R 600 000
Gold Sponsor	R 300 001 - R 500 000
Silver Sponsor	R 100 001 - R 300 000
Bronze Sponsor	R 70 000 - R 100 000
Exhibitor	< R 70 000

STAND CATERING

- Coffee machines or additional offerings on your stand may be brought based on prior approval from the Venue.
- You will be responsible to supply the cups supplies etc.
- Approval for each stand is necessary from the venue and may be limited to quantities. Please confirm with Tasneem Davids - tasneem.d@cccconferencecentre.co.za
- Please also ensure that you order adequate power to operate the machines from Caren Cloete at GL Events - caren.cloete@gl-events.com
- Any catering requirements from the venue are to be arranged directly with the CCCC and all costs are for your own account.

STAND DESIGNS & APPROVALS FROM THE CITY

All stands which are constructed (other than standard 2.5m high shell scheme stands) require stand diagrams to be sent to venue and the appointed safety officer for the event for approval. Please send detailed stand diagrams together with a completed BDM application to Tasneem Davids tasneem.d@cccconferencecentre.co.za by no later than 31 March 2026. Tasneem will reply with feedback and the required documentation to be completed by your stand builders in this regard.

STORAGE

SAAS has not arranged any storage on site for boxes and other goods, these need to be removed from the venue and brought back for breakdown.

- Please arrange for your deliveries for your stands to be delivered to the congress venue on Monday 4 May 2026 and not before. Please ensure that all items are clearly marked and include your company name
- The exhibitor is responsible for ensuring that the expo or courier company makes the appropriate arrangements and provides adequate labour so that move-in and move-out is as smooth as possible. The congress venue and organisers do not provide staff to off load trucks or provide for setup.

TRADE BADGES

Please ensure that badges are to be worn at all times. Access control personnel will be in place to monitor access. Please be advised that having people on your stand who do not have a badge will affect the catering numbers for delegates and other trade.

- Additional trade badges may be purchased at a cost of R 6 900 per badge which includes:
 - Access to all three days of the congress and exhibition
 - Catering (teas / lunches / limited beverages)
 - Entrance to networking function on Wednesday with limited beverages
- Parking for congress days

- Daily exhibitor badges may be purchased for a specific day at a cost of R 3 500.00 ex VAT per badge per day.

Please always wear your badge, as no entrance will be granted to the venues without a badge. Badges are interchangeable as only names of exhibiting companies are indicated and not names and surnames of attending personnel.

Please collect your badges from Colette Diamond at the organisers office during the set-up days.

Special note regarding lanyards:

Thank you to Zimmer for sponsoring the lanyards.

ZIMMER BIOMET
Moving You Forward.™

We encourage all exhibitor companies to please bring your own company lanyards as Zimmer is sponsoring lanyards for delegates only.

TRADE SPONSORING OF DOCTORS REGISTRATION

Should you as trade wish to sponsor doctors to attend the congress please contact Welmie Turner on welmie@icesolution.co.za who will be able to assist.

TRADE WORKSHOPS

- Workshops are 50 minutes to ensure that the academic programme starts on time.
- You may provide a printed flyer / advert for your workshop, to be included in the congress bags. Please see section on “Delivery of congress bag inserts” in the document above.
- Please also send us a digital version of your advert if you would like us to place it on the SAAS website to promote your workshop.
- Workshops are to be presented In-Person, we do not have facilities for virtual presenters. If this is required the additional technical costs will be for own account.
- Please let Colette have the following information about your workshop asap to include on the programme
 - Name of presenter/s
 - Title of Presentation
 - Email address of speaker to send speaker prep letter to (or the details of who this letter should go to if it is not the speaker directly.)
- You are responsible for getting and CPD points for your workshop approved, and also for the attendance register.
- No ethics points are to be awarded for workshops, as this is not fair to other trade workshops running at the same time.

VENUE INFORMATION AND CONTACT DETAILS

Century City Conference Centre

Contact person: Tasneem Davids
